

OISE Students - Technology Checklist

TCard - ID/Access Card:

- Used for student identification, library privileges (both in-person and online), student activities and services, and facility access.
- You can get your TCard at the TCard Office in Robarts Library. Along with your TCard, you will get your UTORid and Secret Activation Key.
 - <http://www.utoronto.ca/tcard/>

UTORid - Computer/Login Account:

- Your UTORid username and password is the key to a number of services at OISE, such as access to the UofT Blackboard Portal (the online home for your classes and groups), computer access (OISE computer labs & UofT Libraries), wireless Internet access on campus and more.
 - <http://uoft.me/OISElogin/>
- UTORid account management, including password reset:
 - <https://www.utorid.utoronto.ca/>

Email Address - UTOReMail+ (@mail.utoronto.ca):

- Your email account is automatically created when you activate your UTORid.
 - <http://uoft.me/OISEstudentemail>

ROSI – Update your Email Contact Information:

- Please check your ROSI account to ensure your utoronto.ca email address was entered properly. You may not receive important messages from your instructors if you have a non-utoronto.ca email address in your ROSI profile.-
 - <http://www.rosi.utoronto.ca/>

Update your Library Account Contact Information:

- Check that the contact information that the Library has for you is current. Your email address will be used to notify you of upcoming due dates and books which are available for pick-up.
 - <http://uoft.me/libraryaddress>

UofT Blackboard Portal – Online home for your courses:

- The UofT Blackboard Portal is the online home for your courses. Courses that are using Blackboard may not be visible to students until after your class has started, check with your instructor to be sure.
