1:00 pm; 2:00 pm and 3:00 pm Library Tours – How to sign up

Starting your MT program and wondering what types of resources are available to help you prepare for practicum? This orientation session will introduce you to some of the many teachers' guides, curriculum documents, lesson plans, children's books, science kits, activities and more that will help you to be successful in the MT program. Join us for a half hour tour of the OISE Library followed by a half-hour hands-on activity. In addition to finding out about library resources, learn how /where to:

- book a study room or laptop;
- add money to your TCard for printing and copying;
- scan for free!

And don't miss this chance to meet our puppets!

Register now for one of the sessions. Spaces are limited.
