

MA Degree Fee Information

NOTE: This applies only to OISE MA students who began their program in the 2014-15 year and later. For students who began prior to September 2014, [click here](#).

- There is a minimum charge for each degree– referred to as the Degree Fee.
- If, at the end of your program, the total amount of *academic fees* you paid is less than the minimum Degree Fee, you will be required to pay the outstanding balance. This is known as the Balance Degree Fee, and is common to those who take full course loads in summer sessions.
- *Academic Fee* is also called Tuition Fee and is also called Program Fee or Course Fee.
- The Program Length for OISE MA Doctoral Stream degrees is 2 years, except for the MA Developmental Psychology Degree which is 1 year.

Note: This does not apply to the MA Child Study and Education program which is a professional degree with different fees.

Below is the minimum Degree Fee which you are required to pay by the end of your MA degree program it is based on the year you began your program. Note that there is no maximum degree fee (i.e. no refunds). Please contact your registration specialist for International student fee information.
