How do I email someone at QuickBooks Desktop Support?

While QuickBooks Desktop support doesn't currently offer email assistance, there are still ways to get the help you need! Here are a couple of options:

- **1. Connect with a Support Agent via Chat or Callback:** Our friendly and knowledgeable support team is available to chat or take your call. They'll be happy to address your concerns and get you back on track.
- **2. Let's tackle your issue right here:** Feel free to share your QuickBooks Desktop questions or problems in this thread. I can often help troubleshoot and resolve common issues directly.
- **If you've already spoken with a support agent and still aren't satisfied, you can escalate your complaint within Intuit's Global Customer Success team. To do this, you'll need your company ID and case number. Here are the escalation options:**
 - **Chat with an Agent:** Reach out to an online chat agent who can help you file an escalation.
 - **Email:** While general support isn't available via email, you can send your escalation to **QBOCareComplaints@intuit.com**.
