***Note:** In 2026-2027, OISE Council meetings format may alternate with both in-person and virtual meetings as suitable. Normally, the October and April meetings are held in-person followed by a reception; while the December and February meetings are typically held online (via Zoom) to improve access and attendance during winter months. The notice of meeting (normally sent one week in advance), will specify the format for each Council meeting (i.e., in-person or virtual) and include information regarding accessing the meeting. The Standing Committees of Council may offer hybrid participation options; please check with the relevant [Committee Secretary](#) closer to the meeting date to confirm details.

****Deadlines** for submission of proposed agenda items by Council members (via oise.council@utoronto.ca) to the Executive, which approves the agenda & materials for each Council meeting. The Standing Committee motions/proposals for information and/or approval are submitted to the Council Secretariat one week in advance of each Standing Committee meeting.

******* Normally, there are four meetings of Council each year (two per term). The reserve dates may be used only if there is a need to call a special meeting of Council.
