Graduate Studies in Education

OISE – University of Toronto

Think OISE.

#1 faculty of education, **#1** university in Canada[1]

Rooted in knowledge, powered by community.

Your future in education starts at OISE. As Canada's leading faculty of education, we prepare educators, researchers, and leaders to advance knowledge, champion equity, and shape the future of education. An OISE graduate degree will equip you to lead with purpose and drive meaningful change.

Located in the heart of Toronto, OISE brings together award-winning faculty, leading researchers, and passionate students in a vibrant hub of innovation. With world-class resources, a global reputation for excellence, and a strong network of collaborators, we create the conditions where possibility thrives.

Indigenous Education Network (IEN)

We are committed to building strong community relationships and centering Indigenous Knowledge in the academy and in our practices.

The Centre for Black Studies in Education

The Centre for Black Studies in Education (CBSE) is reshaping the future of education in Canada by embracing Black voices, perspectives, and leadership.

Learn more about CBSE:
oise.utoronto.ca/cbse

"OISE has given me space to centre community voices and shaped my growth as an Indigenous scholar through mentorship, community networks, and opportunities that have strengthened my skills as a helper, educator, and researcher."

Louis Busch
Flex PhD candidate | Adult Education & Community Development
Recipient, SSHRC Talent Award 2024

Programs at a glance
An OISE degree is globally respected — it reflects your commitment to meaningful impact in education and beyond. Whether you're an educator, researcher, or professional, our programs open doors to new careers and transformative opportunities.

Master of Arts
MA

A research-oriented degree for those pursuing academic careers or future doctoral studies.

Master of Education
MEd

Ideal for working educators and professionals seeking flexible, career-focused learning and development.

Teacher Education
MT or **MA-CSE**

Combines teacher certification with graduate-level coursework and educational research.

Doctor of Education
EdD

Designed for experienced professionals aiming to bridge practice and research in education-focused sectors.

Doctor of Philosophy
PhD

For those seeking to contribute original research and shape the future of education through advanced inquiry.

"The whole idea of doing this was not only to immerse myself but to learn and grow - to truly understand my own scholarship, my own learning, and to honour the families I've worked with over the past 14 years."

Tanitiã Munroe
PhD | Adult Education & Community Development
Dr. Tanitiã Munroe's research focuses on Black youth in education.
