### Privacy Statement

The University of Toronto respects your privacy.

Personal information that you provide to the University is collected pursuant to section 2(14) of the University of Toronto Act, 1971.

It is collected for the purpose of administering admissions, registration, academic programs, university-related student activities, activities of student societies, safety, financial assistance and awards, graduation and university advancement, and reporting to government.

In addition, the Ministry of Colleges, Universities, Research Excellence and Security has asked that we notify you of the following: The University of Toronto is required to disclose personal information such as Ontario Education Numbers, student characteristics and educational outcomes to the Minister of Colleges and Universities under s. 15 of the Ministry of Training, Colleges and Universities Act, R.S.O. 1990, Chapter M.19, as amended. The ministry collects this data for purposes such as planning, allocating and administering public funding to colleges, universities and other post-secondary educational and training institutions and to conduct research and analysis, including longitudinal studies, and statistical activities conducted by or on behalf of the ministry for purposes that relate to post-secondary education and training. Further information on how the Minister uses this personal information is available on the ministry's website.

At all times it will be protected in accordance with the Freedom of Information and Protection of Privacy Act. ### Expenses

Enter your expected expense amounts for the total number of months you will be registered in the academic year. Supporting documents are not required to claim the "Monthly Allowable Amount" or Academic Costs. Supporting documentation must be provided for "Additional Expenses."

#### Number of Months Registered

- Doctoral students should calculate their expenses on a 12-month period of study since OSAP for Doctoral students is assessed on a 12-month basis (for a standard academic year).
- Masters students should calculate their expenses on an 8 month period of study since OSAP for Masters students is calculated on an 8 month basis (for a standard academic year).
- Students who are registered for a single semester should calculate their expenses on a 4-month basis.

### **Living Expenses**

Use Section 1 of Table 1 to calculate your general living expenses. Enter information only on the rows that are relevant to your living arrangements. The “Monthly Allowable Amounts” (A) provided are based on provincially determined (OSAP) allowable claims, for which rent, utilities, food, household supplies, cell & internet, transportation costs, etc. are accounted. Multiply the appropriate monthly allowable amount by the number of months registered to calculate the total amount for your period of study.
