***Note:** In March 2020, OISE Council meetings moved to an online format, which improved attendance and engagement given the increased accessibility of virtual meetings. For 2023-2024, OISE’s academic leadership decided to alternate the format of Council meetings with both in-person and virtual meetings as suitable (e.g., the December and February meetings will be virtual to eliminate wintertime commute and increase attendance). The Standing Committees may offer hybrid participation options; please check with the relevant [Committee Secretary](#) closer to the meeting date to confirm details.

**Deadlines for submission of proposed motions/agenda items by Council members to the Executive Committee via oise.council@utoronto.ca. The Executive Committee approves the agenda & materials for each Council meeting. The Standing Committee motions/proposals for information and/or approval are submitted to the Council Secretariat one week in advance of each Standing Committee meeting.

*** Normally, there are four meetings of Council each year (two per term). The reserve dates may be used only if there is a need to call a special meeting of Council.
