Pursue a Masters degree:
Explore and enhance your passion for teaching and learning.

Master of Education
- This program is designed for educational professionals who are concerned with language and literacy education.
- We examine the relationships of literacies in language, and language in literacies across communities, societies, instructional environments and informal learning settings.

Master of Arts
- This program is designed to provide rich opportunities for research related to language and literacies education.
- This program examines the relationships of literacies in language, and language in literacies, across communities, societies, instructional environments, and informal learning settings.
Why choose this program?

**Exceptional courses:** Explore different aspects of language and literacies education.

**Flexible course selection and scheduling:** Choose from courses, both within the program and from other programs in OISE. Study part-time or full-time, to fit your schedule.

**World renowned faculty:** Learn from leading Canadian educational researchers in the fields of literacy and language education.
