OISE Library Updates

The OISE Library team will continue to provide online support for research, teaching and learning this fall while the Library remains closed. OISE faculty, students, and staff will enjoy increased access to the Library's collections with the expansion of the [Robarts Library Curbside Pickup Service](#). Starting Monday August 24th, print books and AV materials from the OISE Library's Stacks, Curriculum Resources, Children's Literature, and AV collections that are not available online through the [HathiTrust Emergency Temporary Access Service](#) can be requested using the "Get Help" button in the [catalogue](#). Library users will be notified by email when items are available for pickup at the Robarts Library.

Also, I want to welcome back Monique Flaccavento, Director of the OISE Library, after returning from her research leave as of July 6, 2020. I would also like to take this opportunity to personally thank Jenaya Webb for her outstanding work as Acting Director, having successfully led the Library through such a challenging year. We would also like to congratulate Jenaya on her new role as Head of Research at the OISE Library.

Take care,
