Re: Decanal Promotions Committee & Search Committees for 2016-17

I am pleased to announce the composition of the Decanal Promotions Committee for 2016-17. In accordance with the *Policy and Procedures Governing Promotions*, the Decanal Promotions Committee is advisory to the Dean and will consider all recommendations for promotion to the rank of Professor made by Department Chairs following the deliberations of Departmental Promotions Committees. The membership of the committee is as follows:

Professor Elizabeth Campbell (CTL)
Professor George Dei (SJE)
Professor Michel Ferrari (APHD)
Professor Shahrzad Mojab (LHAE)
Professor Ruth Sandwell (CTL)

Professor Peter Martin of the Canadian Institute for Theoretical Astrophysics will serve as Provostial Assessor on this committee.

I would also like to update you on the membership of OISE's three academic search committees for 2016-17, as there have been a few changes since committee membership was originally announced on September 6, 2016. The final membership of the committees is as follows:
