2008 JACKSON LECTURE
SPECIAL EDUCATION: PAST, PRESENT AND FUTURE VIEWS

SPEAKER: Professor Rosemary Tannock
Canada Research Chair in Special Education and Adaptive Technology
OISE and Hospital for Sick Children

PROGRAM
6:00 pm Wine and cheese reception
6:45 pm Welcome, Jane Goddall, Dean OISE
7:00 pm Introduction, Dr. Bruce Ferguson
7:15 pm Lecture, Rosemary Tannock
7:55 pm Thank you, Peter Childon
8:00 pm Closing, Jane Goddall

This lecture was established as a tribute to OISE’s founding directors, Dr. R.W.B. Jackson, Friends, colleagues, associations, and foundations support the R.W.B. Jackson Lecture through their generous donations.

Rosemary Tannock, PhD holds a Canada Research Chair in Special Education and Adaptive Technology at OISE, and is a senior scientist at The Hospital for Sick Children. Her research focuses on attention-deficit/hyperactivity disorder (ADHD) and is funded by the Canadian Institutes of Health Research, Canadian Council on Learning, Centre for Excellence in Child and Youth Mental Health, Canadian Language and Literacy Research Network, and TV Ontario. She and her colleagues developed a set of targeted multimedia resources on ADHD for teachers, including a web site (www.attendbuddy.ca), a DVD and a Teacher’s Resource Manual. During the 2006-07 academic year she gave invited workshops on ADHD to teachers in Norway, Greece, Ireland, China, Singapore, and Australia.

To make a contribution to the R.W.B. Jackson Lecture, please contact our Happen at 416-978.1126.

Watch for Professor Tannock’s talk on the Centennial Website.
