

THE REPORT

OFFICE OF THE REGISTRAR
& STUDENT SERVICES
NEWSLETTER

We hope that everyone is staying safe and healthy during these difficult times. During a time of constantly changing information coming from many sources, there needs to be a central place where updates that affect OISE programs can be listed. Updates from university administration come unexpectedly in response to outbreak changes and result in changes to academic important dates, processes and activities.

- The [OISE COVID-19 Related Updates webpage](#) lists changes/updates/supports in one central place for OISE Students.

The University also has developed a number of useful information resources:

- For university-wide COVID-19 updates, please click [HERE](#).
- The Office of the Vice-Provost also has an information page dedicated to just students, please click [HERE](#).

Although the university campus is largely closed, a number of resources and services are still available to students virtually. Some of these services are listed below:

OISE Student Success Centre (OSSC)

https://www.oise.utoronto.ca/orss/OISE_Student_Success_Centre.html

You can make online appointments with advisors to get support on academic writing, English language development, resume, cover letter, and more. You may also contact Ghayas Shams (ghayas.shams@utoronto.ca), OISE Student Career Coordinator to directly book 1 on 1 career advising appointments.

Health and Wellness

St. George Campus Health & Wellness Centre: 416-978-8030

My Student Support Program (MySSP)
